

PLANTING AND ASSISTING CHURCHES IN **URUGUAY**

As the \$35,000 matching offer expires on December 10, our co-workers, the Perezes, as well as Pastor Gabriel Chauvie of the El Real congregation and we have been planning and praying about how we should go about making an offer for the property in El Real.

State of the Project

Most of you will remember that the congregation of *El Real* as well as our institute needs a property to meet, and that this project is an effort to secure a beautiful spot in that area which would serve both parties. Since our last letter another \$2,150 has been donated, which means we now have \$51,480 including matching funds to try and negotiate a purchase. The property is listed for \$170,000, and our goal is to have at least \$100,000 by December 10. \$10,855 has been donated since the matching offer was made in September, which means \$24,145 could still be given and matched by this generous businessman. *His offer expires in 15 days.*

Making an Offer

Sometime in the next two weeks we will meet with the seller of the property. We will make an offer based on whatever is in or has been pledged to the *El Real* Project account. As we have said from the beginning, we are praying that God will do His work, His way, in His time. Please be praying with us!

Dollars and Destinies

The nature of this project has to do with dollars – that’s how business is done in the world, and believers usually have to work using the same parameters. We know that dollars, however, are just a means to an end. Used thoughtfully by God’s children, they manifest a transaction between God and men that results in lives changed by the power of the Gospel. May God use this project to convert dollars into changed destinies!
